Progressive Farmer Conventions

Agriculture is the largest employer in India engaging @ 50% of the population and is also a pre-dominant sector of India's economy with an annual output of \$ 390 billion. Farmers however need latest technologies, global best practices, market connect, value chain in farming and industry partnerships to take agriculture next level. ICFA envisions to provide farmers during AgroWorld 2018 the exposure to successful agribusiness models, fostering partnerships and connecting them with policies, Government schemes, technologies and markets.

Global Agriculture Leadership Summit

Even after decreased contribution to GDP, agriculture still continues as a major livelihood provider around the globe, especially in the developing world; and hence responsible for economic growth and social transformation. Farmers however are facing plethora of problems in the developing countries and there is need for connecting them with the markets, technologies, trade and global best practices, and to transforming them from farmer to farm entrepreneurs. The 11th Global Agriculture Summit 2018 aims to provide the platform towards facilitating farmers connect with the markets, industry, institutions and the Governmental programs. Towards this end, ICFA is bringing together eminent personalities of Indian and global agriculture, food and agribusiness sectors on one platform. The experience will be combined with the presentation of 11th Global Leadership Awards and the release of Agriculture Year Book 2018.
